Dear Tom:

To yours of the 21st. I should have answered you sooner but was away for a few days.

I think you would be very lucky to get Mrs. Winicov as an assistant. She is a skillful, neat, industrious and intelligent girl and we were very happy with her. Her formal training has been somewhat scattered but I do not think this will be cause for any difficulty whatsoever. She is impeccably honest and would be the best person to tell you the areas in which she was most competent.

Yours cordially,

Joshua Lederberg
